

# Krunal Shah

Full Stack .Net Developer

**Phone:** 9429213300

**Address:** C/6, Green Villa Appt, Nr. HB Kapadiya School  
Gurukul Road, Memnagar,  
Ahmedabad-380052

**Website:** <https://krunal-shah.web.app/>

<https://www.linkedin.com/in/krunalshah/>

**Email:** [shahkrunal258@gmail.com](mailto:shahkrunal258@gmail.com)

*I bring over 8 years of web development experience to the table, specializing in dynamic applications using technologies like .NET Core, Asp.NET MVC, Sql Server, Angular, Mongo DB, C#, web API, Azure, HTML5, Javascript, and CSS3. I am well-versed in clean architecture, design patterns, and clean code principles, and have experience building scalable enterprise-level applications. In addition to being a **Microsoft Certified: Azure Developer Associate**, I am committed to continuous learning and development by working on projects, staying up-to-date with industry trends, and leading a small team. Along with technical expertise, I possess strong **leadership and communication skills** that enable me to build positive relationships with colleagues, mentor and guide others, and assume higher-level responsibilities.*

## EXPERIENCE

### Clarion Technologies

**Web form, MVC, Sql Server, EF, ADO**

Company Website : <http://www.whitepearl.biz/>

## **TECHNICAL SKILLS**

- Excellent knowledge of **C#, .Net Core, ASP.Net MVC, ASP.Net MVC API , .Net Core API**
- Excellent knowledge of Structured query language (**SQL**). Working with SQL Server 2008 to 2016, sql maintenance plan, clustered and nonclustered indexes in sql, triggers, cursor, Normalization, sp,Functions, jobs
- Excellent knowledge on working with **Azure services** like **App service** and VM, Cosmos DB, **blob** storage, service bus, Azure **AD, Azure Functions, Notification hub, Event Hub, Queue, Key Vault** etc.
- Knowledge of working with **Angular CLI 9, Type script, Node JS.**
- Knowledge of creating and integration of **Web Api** and Web services and integration
- Knowledge of working with **ADO.NET , Entity Framework Core , Linq** and **Dapper ORM**
- Knowledge of working with Test driven development (**TDD**), **XUnit, NUnit, Moq** etc.
- Knowledge of working with **Source controls** like Microsoft Visual SourceSafe (VSS), **git**, SVN, and Microsoft **TFS** with Branching, Merging, Automating Build, Test, And Deployment For .NET Projects and git repository management
- Knowledge of working with **Clean Architecture** and **Scalable** application structure.
- Knowledge of **SOLID** Principles, **Design Patterns**, Coding **Standards**.
- Knowledge of working with SAP **Crystal Reports 14** with sub reports
- knowledge of **Oracle** Database 10g and 11g. Oracle Procedure,Functions,trigger,indexes, dump file for backup, **normalization**
- Knowledge of Payment Gateway Module **Integration** (PayPal, **CCavenue**, authorize .net, **stripe**, IVR Call Stream, Berkeley payment) and external **login** like Facebook, Google Plus etc. and other tools for eCommerce
- Knowledge of hosting website in Internet Information Server (**IIS**) web server, **Azure CI-CD, jenkins, SSL** Integration
- Knowledge of **Website security** integration like blind **sql injection, Session** Fixation, Unrestricted File Upload(Non Executable)
- Knowledge of working with **custom controls** and External controls like AJAX Controls, telerik control etc.
- Knowledge of SMS **Integration** and Bulk Email Send.
- Expert knowledge of **HTML** (4, 5), **CSS** (2,3) , **bootstrap, material** design etc.
- **JavaScript, jQuery** skills implement jQuery plugins (carousels, sliders, Datatable, JQgrid etc.)
- Strong **error handling Skill** using External tools **serilog, NLOG, Rapid7** for Error Log Management and Analyses
- Skills in **optimizing** websites for mobile display **responsive**, Export to PDF, URL rewriting
- Knowledge of open source cms like **Nopcommerce (.NET), Mr CMS (.NET)**

- Knowledge of social media marketing, **SEO**, **Google Analytics**, Google My Business, **Google Map**
- Knowledge of **Lucene.net** integration with faceted search and also knowledge of NO SQL (**Mongo DB**, Cosmos DB)
- Knowledge of Structured data format like **Json** and **XML**

## EDUCATION

### Ganpat University

April 2012 – March 2014

#### MSc(IT)

Obtained the MSc(IT) degree with 7.0 OUT OF 10 CGPA (**64.89%**)

### Ganpat University

April 2009 – March 2012

#### BSc(CA&IT)

Obtained the BSc(CA&IT) degree with 5.47 OUT OF 9.0 CPI (**65%**)

### Gujarat Secondary and Higher Secondary Education Board

March 2009

#### 12th (HSC)

Obtained the 12th HSC degree with **74.43%**

### Gujarat Secondary and Higher Secondary Education Board

March 2007

#### 10th (SSC)

Obtained the 10th SSC degree with **67.23%**

## PERSONAL PROFILE

**Date of Birth** : Feb 7th, 1992

**Gender** : Male

**Marital Status** : Married

### Languages Known

- **English** - Read, Write, Speak
- **Hindi** - Read, Write, Speak
- **Gujarati** (Mother tongue) - Read, Write, Speak

### Strengths

- Smart working rather than hard working
- I am always try to learn that person who do better than me in any field
- Fighting against odd

### Interests

- Travelling, watching videos in You tube, Games on PC

### Extra Activities

- First winner of **Code Ninja Event** Held at Prompt Softech
- I have participated in Android and Network Programming Workshop held on DCS Campus, Ganpat University.
- I have participated in Microsoft india AppFest 2013 held on Ganpat University.
- I have participated in Oracle Database 10g : Administration Workshop.
- I have participated in Workshop in java and Code Warzz held by AMPICS, Ganpat University.

## DECLARATION

I hereby declare that the above mentioned information is correct up to my knowledge And I bear the responsibility for the correctness of the above mentioned particulars.

**KRUNAL SHAH**
